

CTLS2018 travel bursary scheme

The CTLS association is setting up 4 travel bursaries (up to 500 euros each) to participate in the CTLS2018 congress.

The bursaries can be used to cover travel expenses and/or congress registration fee.

Bursary applicants should be active CTLS members who have registered and submitted an abstract (oral or poster presentation) on the congress website (<https://vibconferences.be/event/ctls2018vib>). Priority will be given to technicians (non-facility managers) and young CTLS members (PhD students or early career scientists).

Applicants should enclose (in a single PDF format):

- 1) A one-page CV
- 2) The abstract of their oral/poster presentation
- 3) A one page letter of motivation indicating why they want to participate to the CTLS2018 Conference, what will be the benefits for them and their core/infrastructure/laboratory, and what is their budget request (specifying amounts for travel, accommodation and meals).

Applications should be sent by e-mail to contact@ctls-org.eu

The deadline for applications is the 1st of May (closing date for CTLS2018 abstract submissions).

The Board of Directors of the CTLS Association will evaluate the applications based on scientific and motivation criteria, aiming for gender, geographical and thematic balance.

All candidates will be informed about the outcome of their application and the amount of their bursary at the end of May.

The bursaries will be awarded in person to the selected laureates during a plenary session of the CTLS2018 congress (by bank transfer or cheque).
